

We're committed to making your stay with us hassle-free. That's why we promise you that we will:

- Fix any items that are faulty
- Replace items that have been damaged through reasonable wear and tear during your stay.

In return we ask that you look after your Unite Students home, letting us know about any issues as soon as you notice them. You can raise a maintenance request [through MyAccount](#) on our website or the [MyUnite app](#). Alternatively you can visit your team at reception.

Where items have been damaged or misused, we will need to repair or replace them and therefore we reserve the right to charge you for this. Where we incur charges for replacement items or need to appoint external contractors we will pass these costs on to you but we promise to charge you no more than what it costs us. Where charges have been applied after you have checked out, then we will let you know by email what we've charged for.

Your room

Smoking in rooms

Where we need to pay for this we will pass these charges on to you at a rate of £20 per hour as well as the cost of replacing any items. Examples of work which may be required as a result of smoking could include cleaning or replacing carpets, mattresses, chairs, sofas and curtains and re-painting of rooms.

N.B. Please be aware that these charges were correct at the time of going to print (October 2023) and are standard for all Unite Students properties. You may find in some properties there are differences where Unite Students use different products and therefore some charges may vary. Full replacement cost includes; parts, labour, installation, and administration costs. Amounts shown above are inclusive of VAT. The above is a non-exhaustive list of costs for replacing or repairing items damaged maliciously by customers (fair wear and tear of items is not charged). We reserve the right to charge for items not mentioned. Not all items listed are available in every flat.
